APPLY ONLINE

WWW.APPLYTOPA.COM

Applications for admissions to PA must be submitted online. Doing so will allow you to submit documents faster and monitor the status of your application. **We highly suggest using a laptop or PC (not a smartphone) to submit your application.**

Pulaski Academy's Early Application Date is November 15th. We HIGHLY encourage all families to submit a completed application by that date. Applications can still be submitted after November 15th, but some grades might be at capacity after that time.

PA's Birthday Cutoff for PK3, PK4, and Kindergarten is September 1st.

All student in the PK3, PK4, and Kindergarten must be toilet-trained before starting school.

You can submit your application by following the steps below.

STEP 1
SETUP YOUR APPLICATION PORTAL

To begin the application process for Pulaski Academy you must create an application portal by completing the pre-application form via Veracross, our school information system. You can access this form at www.applytopa.com. Once you submit your pre-application form, a user account will be created and you will receive an email with your username and link to set up your password. This username and password will allow you to access the Admission Portal and begin the online application for admission at any time.

STEP 2
COMPLETE THE ONLINE ADMISSION APPLICATION

To complete your admission application, access the Admission Portal. Once you are logged into the Admission Portal, click "ADD NEW APPLICANT" in the far left column to begin the application for admission.

STEP 3
REQUIREMENTS WHEN SUBMITTING THE APPLICATION

To ensure that you have completed all the requirements in the Admission Portal, as well as the application fee, please see our Application Requirements Checklist on the reverse side of this document.
